B.5 ESTIMATED COST INCREASES

- (a) The requirements of this clause are in conjunction with the Limitation of Costs clause or the Limitation of Funds clause of this contract.
- (b) The Contractor shall notify the Contracting Officer in writing when the Contractor has reason to believe that the total cost for performance of this contract, exclusive of any fee, will be either greater or substantially less than the total estimated cost stated in this contract. Notification shall not be delayed pending preparation of a proposal.
- (c) A proposal is required to support a request for an increase in the estimated cost of the contract. The proposal should be submitted as soon as possible after the above notification but no later than 115 days before the incurred costs are expected to exceed the estimated cost. This will allow adequate time for the Government to evaluate the proposal and to mutually establish any increase in estimated cost with the Contractor.
- (d)(1) The proposal shall be submitted in the following format unless some other format is directed or approved by the Contracting Officer:
